
REFIT

Easy installation. Upgrade your bathroom today!

> OUR PROCESS

Give us your floor plan and let us present you with a tailored proposal. From technical drawings to 3D renders and a detailed budget, we've got you covered.

Fast assembly guaranteed because we use ready-made panels.

Choose from just the essentials (ceiling, walls, floor) or a fully equipped bathroom, complete with top-notch sanitary ware and expert installation. Let us bring your vision to life!

> OUR TEAM

Maximize your bathroom experience with Team Saniskill. A flexible and experienced team that delivers exceptional service.

From design to execution, we collaborate with dedicated partners to meet any challenge and exceed your expectations.

Trust us to provide you with the optimal bathroom solution.

YOUR COSTUM REFIT SHOWER

Experience comfort and safety with our advanced materials. Treat yourself to the comfort you deserve, without sacrificing waterproof and anti-slippery performance.

We not only offer top-quality materials, but also provide the necessary sanitary ware and accessories to bring your dream bathroom to life. Get ready to enjoy a bathroom that truly reflects your personal style and taste.
